HARBOR DAYS BRIGHT START

The Mattapoisett Lion's Club started the annual Harbor Days celebration with a bright sun and dry air and the event proved as popular as ever as people descended on Shipyard Park in large numbers. Our cover presents the contrast at the opening of the craft sale. On Friday evening, the Lions served crab meat rolls and clam chowder topped by their ever popular strawberry feast. This event was deserving of the attendance that it received and was thoroughly enjoyed. It was the start of the highlight of the summer season.

Historic Tower Destroyed by Fire

reported by VIRGINIA MORGAN

"We will absolutely reconstruct the bell tower in the historic Grange Hall" said Alan Bolling, associate of Mr. Marc Goddu, owner of the historic Grange Hall, after the tower was completely destroyed by fire on July 12th. Mr. Bolling said the tenants of the Grange Hall, which was made into apartments several years ago, were offered rooms at the Mattapoisett Inn by Mr. Goddu, but

MIKE'S GIFT CERTIFICATES

For Birthdays, Weddings, Anniversaries ... for any occasion!

Even that proverbial "man who has everything" will be well pleased with a gift certificate that is his invitation to the delights of Mike's cuisine ... fresh Lobsters from our own boat .. broiled Swordfish .. tender, juicy Prime Rib or Filet Mignon .. or perhaps a New York Sirloin served with Baked Stuffed Shrimp. If his tastes are Italian, he'll be happy with Veal Cacciatore or Chicken Parmesan.

There are countless other choices, all certain to give pleasure. Being a part of a Special Occasion is Mike's welcome challenge!

Octagonal Steeple burned- Not in 173 years has it been possible to observe the sky from this angle. The octagonal steeple that topped the historic Grange Hall No. 215 in Mattapoisett became a giant "chimney" and a charred wreck. Thanks to the prompt action of the Mattapoisett police and firemen, the main structure was saved and damage was held to a minimum with no loss of life.

that they found other accommodations.

While on patrol duty an alert police officer, Adam O. Mendoza, spotted the fire through a louvered window in the tower at 2:30 a.m. With Sergeant Donald Moran, he evacuated residents in the apartments, at times having to break down the doors to awaken the sleeping people. There were no injuries, said Police Chief James F. Moran. The Chief said all police officers did a super job.

Fire investigators believe that two boys who took candles up to the bell tower late Tuesday night accidentally caused the fire, Fire Chief Donald Wood said. The two boys, ages 12 and 14, said they took candles up to the small bell tower room, but left at about 10:30 p.m., Chief Wood said. Investigators are uncertain whether a candle was left burning or some other flame started the fire.

Chief Moran said Officer Mary Lyons is

Firefighters extinguished the flames with jets of water from ground level within 30 minutes thanks to the new pumper equipped with a deck gun that knocked the fire right down, explained Chief Wood. "The two new pumpers, one bought in 1987, the other in 1989, sure proved their money's worth that night," the Chief said. "We had to call for a Fairhaven ladder truck to reach the tower and put out the smoldering embers", he said. The firefighters finished at about 5:30 a.m.

The two-story structure, located on the corner of Route 6 and Main Street, is listed on the national Register of Historic Places. The building suffered only minor water damages. The owners plan to get construction crews there to clean up and make the tower safe and sound as soon as possible.

The building was buiit in 1816 at a cost of $1,100 on a $50 lot as a church in what was then still the Town of Rochester. Later it became Mattapoisett Academy, the town's high school, said local historian Francis Rowland, whose grandfather and other relatives attended the school. The bell tower housed a bell during the years it served as a school, but there is no longer one there, he said. It later served for a time as Town Hall. Subsequently, the Grange took over the building and used it as a function and meeting hall until the group disbanded. Mr. Goddu purchased the building from the town for $35,000 as the highest bidder. Mr. Goddu has restored the building and kept the historic appearance and it still retains its historical significance.

lowing the failure of the Proposition 2½ override election on July 11th for funds in the amount of $373,538 for the operation of town government. The vote was 1,007 to 878, a decidedly larger vote than the previous election override which brought out 22 percent of the voters. This election brought out 49.85% or just under 50 percent of 3,900 registered voters.

"Back to the drawing board", said Mattapoisett School Committee Chairman Clara D. Morgan after receiving the results of the election. She added there could be cuts in music and arts programs, and supplies.

Now what? people are asking.

Selectmen say separate meetings of the Finance Committee, department heads and the board will be held to seek ways to cut their budgets. Any suggested cuts will have to be approved by the voters at a special town meeting sometime in late August.

Selectmen Chairman Bernard F. Talty noted many budgets contain state-mandated costs; therefore, the focus will have to be on non-essential services. These cuts could eliminate jobs, reduce services and and keep the town beach closed to any services this summer. Chairman Talty noted the voters are telling us they don't want to pay any more taxes, and they

MOST ARTICLES DEFERRED

JULY 12, 1989-by VIRGINIA MORGAN

With 12 articles on the warrant of the Special Town Meeting held last Wednesday in the cafeteria of the Old Rochester Regional High School, two on school asbestos removal had been voted favorably in June; seven were indefinitely postponed; two passed with transferred money and one was acceptance of a report from the Water Commissioners.

Twenty minutes of the one and one-half hour meeting were spent discussing whether it was worthwhile to take the time to go through the 12 article warrant considering many would have to be postponed. Moderator R. William Blasdale noted the two articles on asbestos removal for the Matta-

poisett schools and the district schools ($183,980 total) could not be put into effect or money spent until the articles were certified.

Seven of the remaining articles were indefinitely postponed because of the uncertainty with the town operating budget.

1. Unemployment compensation benefits, transfer of $2,500 will be taken at a future time. 2. Town Engineer, no dollar amount. 3. Conservation preservation easement Dorothy Boardman, Trustee of property at Holly Woods. Selectmen Chairman Bernard F. Talty said the property would be removed from the tax rolls with about a $387,200 evaluation. "We don't know the effect on tax rolls from the Conservation Commission and Board of Assessors." 4. Water pipe replacement on Stoney Hill Road, Pinewood Way and a portion of Tinkham Lane for approximately 1,830 feet at an estimated cost of $138,000. 5. Rape Crisis Clinic, New Bedford Women's Center, Inc., $2,000 transfer. 6. Time-In position supplement for long-time employees, transfer of $8,761.70, transfer an indefinite amount for fiscal 1989 bills.

Articles passed were: Firefighters' Indemnity for $400 transferred from the May 1989 annual town meeting. This was passed at this year's town meeting and this is a housekeeping measure to allow accumulation of a fund for funding the town's contractual liability to its call firemen and other emergency service personnel.

Also passed was the Waterfront Enterprise Fund. No funds were involved to be voted at this time. Michael Dahill, Chairman of the Harbor Study Committee, explained this

is the final step in the new harbor regulations. Specifically for waterfront repair and maintenance, a vote of town meeting will be required before any funds can be expended. Mr. Dahill explained the fees collected and one-half excise taxes will remain in the Enterprise Fund and will not go into general revenue. Some fees will not be collected until 1990. Beach fees will not go into the fund.

In answer to a question on whether salaries will be funded, Mr. Dahill said no. However, Town Counsel Donald J. Fleming clarified the statement saying that salaries can be paid from the Enterprise Fund but will mostly be used for maintenance.

An amendment suggested by Mr. James F. Huntoon to make the Enterprise Fund effective July 1, 1991 was defeated. He felt it should be deferred until it is known where the town is going financially. Mr. Dahill said he didn't think the money will go to the fund until after the first of 1990. In effect, "We are creating a savings account to protect a valuable resource of the town."

The Sewer Treatment Plant expansion article involved no funding but to hear a report from the Water Commissioners.

Water/Sewer Superintendent William T. Nicholson explained the negotiations with Fairhaven are still in progress. The original cost of added capacity was expected to be $450,000. Subsequently, the price was expected to rise to $800,000. Recently, the last estimate as of July 1, is slightly under $600,000. The report was accepted.

In the opening remarks a speaker said he was led to believe cuts would be made tonight in the town budgets. Moderator Blasdale said no, not until August after Selectmen and Finance Committee meet with department heads. The entire budget will be have to be gone over the same as is done for the annual town meeting.

Another speaker asked about overriding again and Town Counsel said Selectmen are the only people who can call for an override election and Selectmen feel townspeople have spoken - twice, saying you will operate within the budget. "I don't think the Selectmen will ask for another override election."

The Moderator noted at the August special town meeting no budgets will be increased unless a like decrease is voted elsewhere to keep a level budget.

Mr. Huntoon asked about level spending

between now and the August meeting.
Town Counsel said, "We have a budget but one that is out of whack. We are operating for salaries on whatever was in effect on June 30, 1989 until the new budget is adopted. The beach budget had to be cut because it would have to be spent before August."

IN THE HEART OF THE HISTORIC DISTRICT

Considerable discussion was held on the replacement of water pipes on three roads by petition of homeowners on the streets who feel the water pipes lined with TCE (trichloroethylene) are hazardous to their health.

Mr. Mark E. Kaner of Pinewood Way said he understood the financial condition of the town, but "we cannot continue to be exposed to contaminants. We are entitled to a clean drink of water for ourselves and our children. There are 36 children in the neighborhood. We are asking town officials for help for the future."

Chairman of Selectmen Bernard F. Talty said at a future meeting, "you can return with your petition which will need 150 signatures for a special town meeting and 10 signatures for the annual town meeting".

Water Commissioner Charles A. Morgan said he sympathized with the homeowners and would support removing the pipes if the money was there.

Another resident read a scientific report on TCE. She felt the town is responsible and should have notified homeowners when the Water Department first knew of the problem.

Town Counsel explained in fairness to

the Water Department only one road was over the limit - Eldorado Drive. He said the Water Department notified him of the problem and the abutters were notified and told of the problem and that bleeders were going to be put in. "The problem was not created by the town nor the developers. At the time the pipe was an approved pipe. All tests showed the pipes in the roads in question were within limits. We told people to present a petition. The town is not insensitive to the problem, but we don't have the money - the bucket is dry."

Another taxpayer asked why the water department and highway department couldn't join forces to put in pipes at a lesser cost than hiring a contractor. Superintendent Nicholson said the plan is a good one except "we don't have the manpower nor time to spend on one project taking weeks to complete."

Town Counsel recommended the homeowners speak to the Water Department in several months to arrive at hard figures on cost. "Now we don't have the money. The Water Department has tested and it shows we don't have a health problem."

Towards the end of the meeting, Mr. Huntoon asked for clarification on four issues: Will there be any curtailment of rubbish disposal? Chairman Talty said "we don't know, there could be. The contract the Board of Health signed with the rubbish collector effective July 1 is sub-

Safety Changes

MATTAPOISETT SELECTMEN'S MEETING
JULY 11, 1989-by VIRGINIA MORGAN

Following several inspections by Building Inspector Andrew J. Bobola and Fire Chief Donald C. Wood on complaints of safety hazards at the Mattaposiett Inn, Selectmen last Tuesday were informed the local restaurant had made the corrections. Mattapoisett Inn owner Marc Goddu was asked by the Inspector and Chief to make five changes. The changes should be completed in 10 days when another inspection will be made.

Among the changes are that panic hardware should be installed to the two westerly side emergency exits; that all fire exits be kept clear at all times; that a lighted

emergency exit sign be posted above the kitchen doors; that the existing safety inspection certificate be revised to show accurate maximum capacities for the Mattapoisett Inn building; that the manager of the Inn or a designated person be in charge of the number of people allowed into the building at one time to control the potential of overcrowding, as well as to watch the behavior of certain patrons so as not to jeopardize the well-being of other people, as well as also controlling the parking situation.

The Inspector and Chief did stress they felt the Mattapoisett Inn has always tried to manage a first rate business, which is not easily done in the village district in which it is located, and given the proximity of the building and its location in relation to other buildings, the risk factors are magnified. "You were very receptive to the corrections," the officials told Mr. Goddu.

He writes: "The apparent problems which turned up with the management of SEMASS occurred with the operation and dumping of waste ash and unburnable trash at the South Carver landfill, which is under agreement with SEMASS. It is my understanding from public comments that a similar waste stream could find its way into Mattapoisett under the contemplated agreement. The specific problems dealt with leachates, monitoring of incoming waste at SEMASS, litter control, and lack of operating and monitoring knowledge by supervisory personnel. EMTs Wanted in Marion

The Town of Marion Emergency Medical Services is looking for Marion residents who would like to become Emergency Medical Technicians. The organization consists of people within the Marion community who have been trained to render emergency care to patients in the ambulance.

If you would like more information on becoming an EMT please contact Dale Gunschel at 748-2417.

Historical Museum

July is half over but there is still time to view the interesting display of wood boat building tools and pictures on exhibit at the Museum at Church and Baptist Streets. On Saturday, July 22nd, Dave Peterson, a Mattapoisett builder of wooden boats, will be at the Museum to demonstrate the use of the tools on display. These tools and many pictures were owned by Enoch Winslow, a Mattapoisett boat builder during the 20s through the 60s. Some of his "bass" boats are still plying the local waters.

The Museum is open Tuesday through Saturday from 1:00 to 4:30 p.m.

A beautiful exhibit is planned for August. More about that next week.

SOLARSHIELDS

SOLARSHIELDS give far more comfort as a sunlens than normal sunglasses. Whether hiking, fishing, sailing or relaxing at the beach, the non-prescription goggle fits easily over glasses or can be worn alone. Skiers, golfers, pilots or anyone concerned with top performance can benefit from a total UV sunscreen - and enjoy the comfort.

Photophobia:
Some people are more sensitive to light than others. For those in need of a "serious sunlens", the SOLARSHIELDS offer complete UV absorption to 400 nm and a choice of tints for comfort in the visible spectrum. Even with a dilated pupil behind the dark tint, the eye is fully protected due to special UV filters in the polycarbonate material. Top and side shields screen out all incident light.

For Cataract Patients
The aphakic eye is extremely vulnerable to postoperative retinal problems, if not protected against hazardous ultraviolet radiation.

SOLARSHIELDS replace the same UV filter lost with the removal of the crystalline lens. Immediate comfort and complete retinal protection from UV make SOLARSHIELDS an excellent addition to standard post-operative procedures.

Permit Sought for Brandt Island Pier

Brandt Island Association is seeking permission from the U.S. Army Corps of Engineers to construct a 4 x 256 foot timber pier leading to a 3 x 18 foot ramp, a 6 x 8 foot landing float and two 4 x 24 foot floats on Brandt Island Cove in Mattapoisett, MA.

The application for the federal permit was filed with the Engineers in compliance with Section 10 of the Rivers and Harbors Act which provides for federal regulation of any work in, under or over navigable waters waters of the United States.

To assist in evaluating the proposed work, the Engineers are soliciting public comments. Written statements should be forwarded to their office no later than August 14, 1989.

Additional information may be obtained by contacting Karen Menczer at the New England Division, U.S. Army Corps of Engineers, 424 Trapelo Road, Waltham, MA. 02254-9149.

Fujicolor REALA

Its only rival is the human eye.
To record color as the human eye sees it has always been the ideal just beyond the reach of film technology. The addition of a fourth layer of light-sensitive emulsion means **REALA** can attain these results.
Its triumph is demonstrated by how accurately it captures the most elusive color of all..... the color of skin.
It is a dream come true for the serious photographer.

The Marion Visiting Nurse's Association will hold a Blood Pressure Clinic every Thursday morning between the hours of 9 a.m. until 12 noon. A donation of $1.00 will be accepted.

Thank You

On Wednesday, July 12th, golfers of the Sippican Shop and the Patriot Restaurant presented the Marion Council on Aging with a very generous donation. It will be put to good use to subsidize summer meals on wheels to the frail, elderly and to increase the usefulness of the Senior Drop-In Center.

How very thoughtful of you young people to realize the needs of the elderly and so enthusiastically participate in this good cause. We realize how much hard work and dedication that goes into a golf tournament that size and certainly hope that you had a good time, too! The Council on Aging Board and Coordinator thank you for your generosity and caring.

Our appreciation, also. to Sue and Joe, managers of the Little Marion Golf Course, for all their kind endeavors.

Very special thanks to all the sponsors.

Thank You to Artists

On behalf of the students of Center School, Mattapoisett this article is written in gratitude to the following artists for sharing their talents with us during this past spring. Each artist worked with several classes during their art instruction time. The artists provided the students with a truly rewarding and creative experience.

Ms. Nancy Mitton is a Marion-based Painter specializing in oils. This was the second year that Ms. Mitton participated in the program. After learning some techniques of observation and composition, the students worked on spectacular tempera paintings of the art room.

Ms. Sandra Lothrop is a Rochester watercolor artist specializing in seascapes, landscapes and cottages. Ms. Lothrop not only provided the students with an exciting lesson on painting with fluorescent paint, but she also donated several fluorescent markers to the art program as well.

Ms. Debbie Chase, a Mattapoisett silkscreening artist, demonstrated how silkscreens are made, and then each student helped to print their very own Center School bandana.

Ms. Meg Roberts, a Mattapoisett artist specializing in acrylics, donated a wooden kitchen spoon to each student, which they each learned to paint in a specialized way, with tempera, to look antique.

The program was supported by a grant from the Massachusetts Arts Lottery. The above events were organized by Mrs. Diane H. Perry, Center School Art Teacher.

DELIVERIES in Mattapoisett & Vicinity & Greater New Bedford
Monday through Friday 9 to 5:30; Saturday 9 to 5

start September 12th. The 25-hour course will be held on Tuesday and Thursday evenings at 7 in Wareham.

The sessions will cover such subjects as terminal illness, patient care, family issues, death and dying, how to listen and communicate, funerals, bereavement -- all with emphasis on the role of the volunteer. There is no commitment requested until the end of the training. Volunteers do not give medical care, but rather offer companionship and support to patients and their families.

The area Hospice furnishes care in the towns of Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham. Volunteers are needed from all of these communities, and particularly from the Lakeville/Middleboro area and the Bourne/Sagamore area.

Anyone who can devote a few hours a month is asked to call Coordinator Jean Briggs in Wareham at 295-8544.

Competes in Pageant

Justin Anthony DuPont, son of Marcia and Jay DuPont of Mattapoisett, will compete in the 26th Annual Hemisphere Pageant to be held at the Fontainbleau Hilton Hotel in Miami, Florida on August 7th and 8th.

Justin, age 1½, was the winner of both the local and the state Hemisphere pageants in his age division. The local pageant was held last December at the Skipper Motor Inn in Fairhaven. The state pageant was held in March at the Sheraton Mansfield in Mansfield.

In addition to the state title of Baby Boy Massachusetts, Justin was given the award for Best Outfit at both the local and state levels.

Grief Recovery Programs

The area Hospice Association is presenting another in its series of grief recovery programs for recently bereaved persons. Meetings will be held on five consecutive Tuesday afternoons starting August 1st at the Lakeville United Church of Christ. The program, open to anyone who has suffered the recent loss of a loved one through death, is partially underwritten by the Old Colony Planning Council.

Designed to help bereaved persons come to terms with the loss, the course covers loss and grief, tasks of grieving, learning to cope, grief therapy and saying goodbye. It will be led by trained therapists. There is no charge other than a small fee to help cover the cost of materials.

Attendance is limited, and pre-registration is necessary. Those interested should call Jill Cockrell, bereavement coordinator, at the Wareham Office of Hospice (295-8544) weekdays between 9 a.m. and 4 p.m.

Hospice furnishes quality care to terminally ill persons and their families in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham.

After the blessing there will be a very brief religious service on Long Wharf which the fleet and townspeople are asked to attend, with a Psalm, lesson, and singing "Eternal Father, Strong to Save". This will be an excellent opportunity to see the yachts close at hand.

Capeway Softball

Results of games played Sunday, July 16th, in the Capeway Softball League:

Rumrunner won two games from Mattapoisett Inn, the first 7 to 4 and the second 11 to 9. Also winning two games was Rivers End, beating SeaGas 5 to 1 in the first game and 15 to 5 in the second. Barnes Tree Service also won two games, beating Freddie's Package 4 to 3 in the first and 13 to 12 in the second. Seagulls and Jack's Place split their two games with Jack's Place winning the first 6 to 0 and the Seagulls the second 7 to 1. Brad's Cafe and Mattapoisett 3 also split their two games with Brad's winning the first 8 to 1 and Mattapoisett 3 the second 18 to 5.

The schedule for July 23rd: Rumrunner vs Rivers End at Livesey Field, Jack's Place vs SeaGas at Cushman Park, Brad's Cafe vs Freddie's Package at Center School, Mattapoisett 3 vs Mattapoisett Inn at ORRJHS, Barnes Tree Service vs Seagulls at Rochester Field.

Growth Management Workshop

How much growth and development of the Buzzards Bay watershed is too much growth? By steady development of the towns around the bay, are we adding new stresses to an already overtaxed environment?

These questions and other related topics of concern over growth management will be addressed during the first of a series of workshops scheduled for this summer and early fall. To kick off the series, the Growth Management Workshop will be held on Friday, July 21st, at Days Inn, New Bedford from 9 a.m. until 3:30 p.m.

Jon Witten, President of Horsley, Witten and Hegeman, Inc., will moderate the program, which will feature a panel of speakers with expertise in the area of growth management. Specific topics that will be covered include: nutrient loading analysis, regulatory taking of property, implications of sea level rise, identifying critical areas for protection and creative tools and techniques for controlling development.

Sponsored by the Buzzards Bay Project, this and the other workshops (Wetlands and Habitat Protection; Shellfish Protection; Toxics and Hazardous Materials; and Sew-

age Treatment) are designed to enlist local support in addressing pollution problems around the bay.

Since implementation of environmental management takes place at the local level, those in the management position need your input and involvement to make acceptable recommendations. Therefore, the five issue workshops are designed to allow you to:

* review the issues confronting the Buzzards Bay region.
* review and evaluate the various management options.
* evaluate the likelihood of implementing those options.
* relate the management options to your community.

The cost for each of the issue workshops is $5.00 ($25.00 for the entire series), although scholarships are available upon request. You are encouraged to register for the entire series, but registration will be accepted for any of the workshops.

To register or for more information on any of the upcoming workshops please call Barbara Sego at the Lloyd Center for Environmental Studies (990-0505).

Empire Brass at Heritage

CLASSICAL MUSIC & CLASSIC OLDIES

Even though one might not expect a concert of brass music to draw a large crowd, the Empire Brass always play to a full house at Heritage Plantation. This season the Quintet will perform on Saturday, July 22nd, at 7:30 p.m. on the Outdoor Concert Green. Then, for a change of pace, The Fat City Band will play classic oldies from the fifties when they liven things up on Wednesday, July 26th, at 7:30 p.m.

CONSTRUCTION CORP. 997-6544

The Empire Brass performs programs drawn from a repertoire of more than 300 works from the baroque to the contemporary. With their superb musicianship, infectious energy and engaging performances, the Quintet attracts audiences as diverse as the music they play and have come to enjoy enthusiastic receptions by audiences and critics worldwide.

All have played with major symphony orchestras and several have served as principals. But the five young men have a casual air about them that seems to suggest the difficult music they play is all fun and games.

The Fat City Band has been called "Boston's answer to the Beach Boys". They perform music that effectively combines originals with standards from the rock and roll gold mine. Their oldies cover a broad range from Cab Calloway's "Minnie the Moocher" to "Fever" which Peggy Lee made famous, to the Coasters' "Love Potion No. 9".

The Fat City Band was voted one of Boston's most popular bands by the Boston Globe January 1985 readers' poll.

Since then The Fat City Band has gone on to record records on the Rounder Label and they have performed from the east to the west coast.

Tickets for the day are good for all exhibits and events held on the ground

Guys & Dolls Opens July 27

AT ZEITERION THEATRE

When Salvation Army girl Sarah Brown, who's bent on saving the souls of all the racketeers and gamblers prowling New York's Times Square, meets roguish gambler Sky Masterson, the result is the uproarious love story, "Guys & Dolls", coming to the Zeiterion theatre July 27-29.

Based on stories and characters by Damon Runyon, "Guys & Dolls, A Musical Fable of Broadway", won the 1951 New York Drama Critics Award for best musical. Regarded as one of the best musicals ever written for the American Theatre, "Guys & Dolls" takes its audiences on a fantastical tour of Broadway's underworld, packed with tinhorn gamblers and sentimental chorus girls, all trying to keep a floating crap game floating.

"Guys & Dolls" runs Thursday, July

With songs by Frank Loesser, one of Broadway's most successful songwriters, "Guys & Dolls" is packed with 16 hit songs including "Luck, Be a Lady Tonight", and "I'll Know When My Love Comes Along". This musical comedy incarnation of Runyon's Broadway tales was written by Jo Swerling and Abe Burrows.

"Guys and Dolls" is the second musical of Zeiterion Theatre's 1989 summer season. "Oklahoma!" will be presented August 17-29.

Zeiterion's creative team for this summer's musicals is led by artistic directors George T. Charbonneau and Armand R. Marchand and includes Musical Director Donald Vasconelles and Choreographer Clay James.

The Zeiterion Theatre is located at 684 Purchase Street in historic downtown New Bedford.
